

What is a Family-School Compact?

A Family-School Compact for Achievement is an agreement that parents, students, and teachers develop together. It explains how parents and teachers will work together to make sure all students get the support they need to reach and exceed grade level standards.

Jointly Developed

The parents and staff of Orvis Risner Elementary developed this *Family-School Compact for Achievement*. Through our yearly survey parents can make suggestions for home activities to support learning. School-wide meetings are held each year to review this Compact.

For more information on this Compact, please contact your child's classroom teacher.

Parents are welcome to contribute comments at any time.

Please contact the school office at 405-340-2984.

When teachers, students, and families work together, we CAN achieve our goals!

Teachers, Parents, Students — Together for Success

Our Goals for Student Achievement

Orvis Risner School Goals

Orvis Risner administrators and teachers have studied our student performance data to decide on the most important areas of improvement for our school.

Reading - To increase reading proficiency by 5% during the 2020-2021 academic year, our school will utilize the following strategies:

- Silent Sustained Reading
- Small group instruction

Math— To increase math proficiency by 5% during the 2020-2021 academic year, our school will utilize the following strategies:

- Develop and strengthen number sense with activities and games
- Small group instruction
- Daily fluency practice

Behavior— To develop and/or promote self regulation skills and social growth through the use of Conscious Discipline strategies.

In The 3rd Grade Classroom

The 3rd grade team will work with students and their families to develop students' vocabulary and number sense. Some of our key connections with families will be:

- Offer video resources to help with learning at home.
- Our monthly newsletter will feature ideas families can use to review math and reading skills we have introduced in the classroom.
- Agendas for at home learning success.

At Home

Orvis Risner parents joined staff to develop ideas about how families can support students' reading and mathematical understanding. Families may have other ideas to add to the list.

- **Math:** Practice multiplication math facts using websites or flashcards. Work on telling time and counting money.
- **Reading:** Read daily for 20 minutes.
- **Check Canvas regularly**

Orvis Risner Students

Orvis Risner students joined staff and parents to develop ideas about how they can succeed in school and reach for the stars in math and reading. Some helpful websites include:

- Seesaw.me
- IXL
- Orvis Risner Website -Learning Resources

At Orvis Risner, students should always be ready for amazing days of Learning, Success, Achievement & Fun!!
